April 6, 2020

This is to certify that Lichtgitter USA supplied the material listed below to Service Steel on their PO # SSW111975 and that all the bar grating material was manufactured and processed in accordance with NAAMM MBG531-000, and ASTM A36 and ASTM A1011.

Respectfully,

A handwritten signature in black ink, appearing to read "Chris Sperry", written over a white background.
